For Immediate Release

Central College Road Bridge over Blacklick Creek to be Closed for Improvements Beginning June 16

(Franklin County, Ohio – June 12, 2014) --- Dean C. Ringle, P.E., P.S., Franklin County Engineer, announces that improvements of Central College Road Bridge over Blacklick Creek are set to begin June 16 for approximately 75 days, weather permitting. The improvements will involve the replacement of the existing bridge structure.

The posted detour route for eastbound motorists on Central College Road will follow Johnstown Road (U.S. Rt. 62) southwest to Smith's Mill Road, east to Beech Road, and north to Central College Road-Jug St Road NW. Westbound traffic will follow the detour route in the opposite direction.

The Franklin County Engineer's Office will supervise the building of this \$596,000 project by Double Z Construction Company. Funding will be provided by the County Engineers Association of Ohio and Franklin County.

For updates or additional information, please call our office at (614) 525-3030 or visit www.franklincountyengineer.org.
